

edurance\_end\_handler

```
graph LR; A[edurance_end_handler] --> B[default_end_handler]
```

The diagram consists of two rectangular boxes. The left box is filled with a dark gray color and contains the text 'edurance\_end\_handler'. The right box is white with a thin black border and contains the text 'default\_end\_handler'. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a directional relationship or pointer.

default\_end\_handler
